HOW IT WORKS

Graduate College of London is registered with the UK Register of Learning Providers (UKRLP), which is the portal for government departments, agencies, learners, and employers to share key information about learning providers. The UKRLP has been verified us and allocated a unique UK Provider Reference Number (UKPRN): 10063799. This is the unique identifier used to share information with the UKRLP partner agencies such as the Education and Skills Funding Agency (ESFA), the Higher Education Statistics Agency (HESA), the Office for Students (OfS) and UCAS.

You understand that you will begin a course of study online/ blended and able to complete the entire course to achieve a British degree certificate through online mood without traveling overseas. However, if you wish (optional) to continue Degree Top-Up programme in the UK directly at the campus, then you will be required to pay additional On-Campus Tuition Fee and provide additional evidence of your Academic and English ability to receive your Student Visa approval and meet further UK Immigration requirements. Students that require a student visa are required to provide a Secure English Language Test (SELT) or accepted equivalent. More information at: <https://www.gov.uk/student-visa>

Successful completion of your chosen course and meeting the entry requirements, you will be eligible to progress on to a degree top-up programme at the University. Progression pathways and degree courses offered at the University are subject to availability and change. Withdrawal or variation of any courses at will be in accordance with its policies and regulations. Some progression top-up degrees are offering fast-track option through Accreditation of Prior Experiential Learning (APEL) exemption process where credit is sought to complete within 6-month to 12-month duration plan. You will be able to select such option if applicable when applying for your top-up degrees programme. Certain courses may be subject to validation/re-validation/approval/re-approval/availability – please refer to our website for details. The course chosen course become unavailable for any reason a suitable alternative may be offered, subject to meeting the admission requirements for that programme. As places on some courses may be limited, you are advised to confirm or conditionally confirm as soon as possible.

For students who want to complete their degree through Graduate College of London (GCL International Study Campus) or directly at the University campus in the UK, we have arrangement with the following list of universities in the UK and overseas including USA and Australia. These provide direct entry to progression routes and subject disciplines from our Foundation and Diploma qualifications which enable students to develop the further study and career of their choice. Completion of our qualification will meet the university's standard academic entry requirements. However, each applicant will be subject to individual assessment and other entry requirements.

What qualification levels mean in England, Wales and Northern Ireland?

For an official breakdown of what each qualification level means in the United Kingdom, please visit <https://www.gov.uk/what-different-qualification-levels-mean/list-of-qualification-levels>

What are the Qualification Types in the United Kingdom?

In the UK education sector, there are a wide range of qualification types offered by the United Kingdom awarding bodies. Qualifications range in size and type, can be academic, vocational or skills-related, and are grouped together into different levels of difficulty. In England, Wales and Northern Ireland,
